My Visit to the Dallas Museum of Art

I am going to the Dallas Museum of Art with my family! There will be lots of people there who will stop and look at the art in the Museum. I can stop and look at the art too.

There will be lots of art on the walls and sculptures that I can walk around. I can look at the paintings and the sculptures with my eyes, but I shouldn't touch them.

I can talk about the art, but I should talk in a quiet voice. Going to the Dallas Museum of Art is so much fun! There are so many things to see and do!
