

FACE YOUR FEARS

See how well you really know each other. Make two lists ranking the fears below in order of most to least scary for both you and your partner. Cross reference your answers with each other. Whoever got the most rankings correct gets to choose which thriller you watch from our curated list of films.

Arachnophobia: Fear of spiders

Astraphobia: Fear of thunderstorms

Ophidiophobia: Fear of snakes

Acrophobia: Fear of heights

Thalassophobia: Fear of the ocean

Nyctophobia: Fear of the night and darkness

Agoraphobia: Fear of difficult to escape situations

Continue to the next page to find film and art recommendations for each fear. Click on the images to find out more about the artworks.
