FORTUNE TELLER

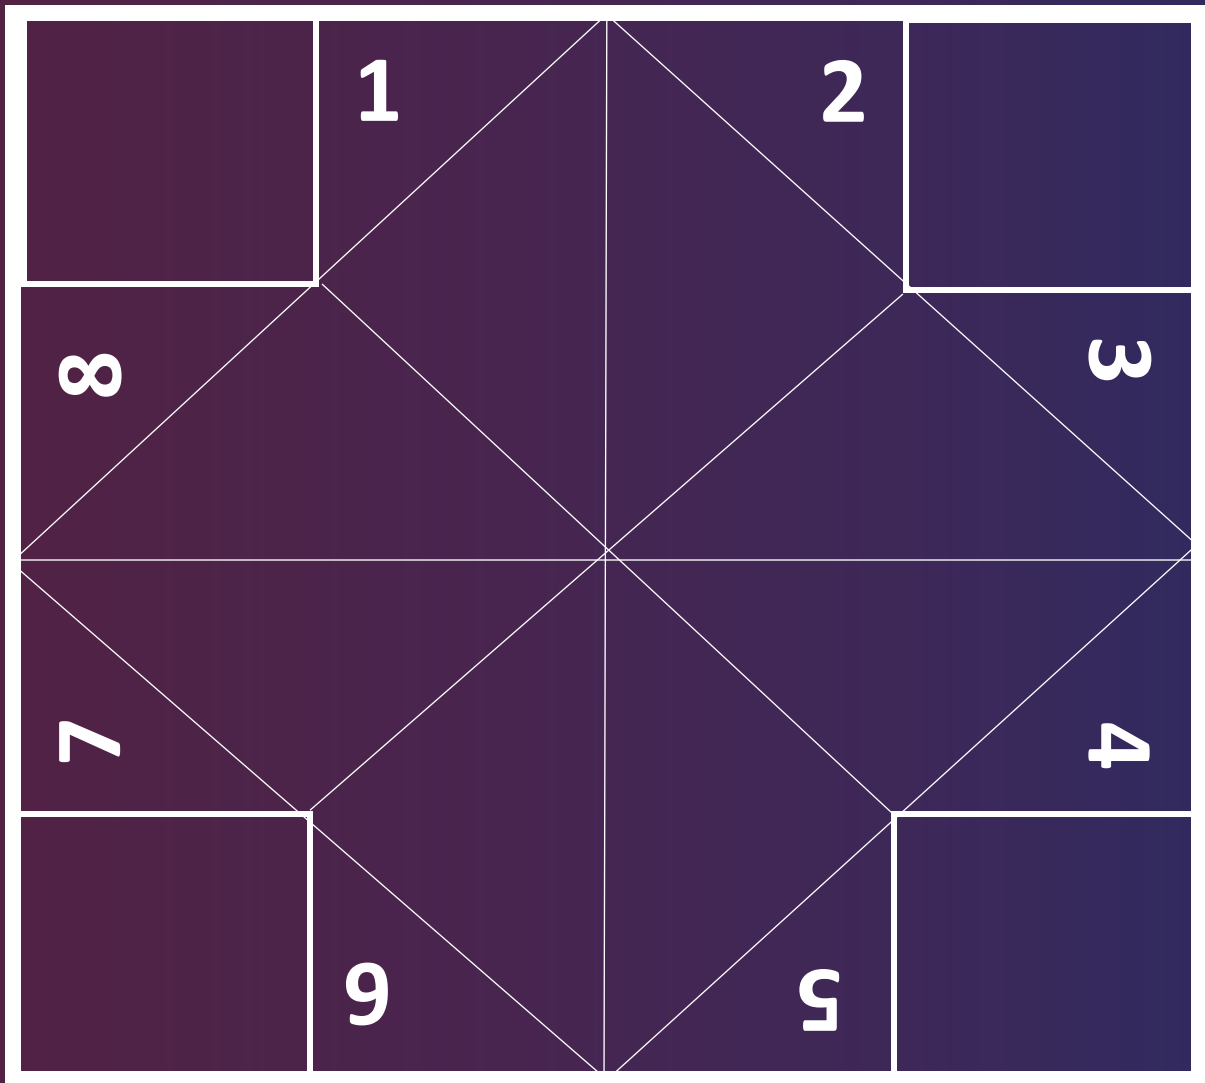

Create your own Fortune Teller to find out which work of art in our collection is your perfect match.

How to make your Fortune Teller:

1. Start with a square piece of paper—at least 8" x 8"
2. Use the template and suggestions on the following pages to fill in your Fortune Teller.
3. Once completed, with the blank side facing up, fold diagonally in both directions and open.
4. Fold each corner to the center point.
5. Turn over and fold each corner to the center point.
6. Fold the bottom edge of the square to the top; crease and unfold. Fold the left edge of the square over to the right; crease and unfold.
7. Tuck your thumbs and index fingers underneath the four corners and squeeze gently to the center to open.

How to use your Fortune Teller:

Pick one of the four words. Spell the word out while moving the fortune teller once for each letter. When you finish spelling, pick a number and move the fortune teller that many times. Then pick a number again and open the flap to see your perfect art match.

1. Draw these lines on your square piece of paper.
2. Fill in the numbers as shown above.
3. Choose four words to put in each of the corner squares.
4. Choose eight works of art from our collection to write or sketch in the inside triangles.

See the next page for ideas!
