SUPERMOON

Half a lime
3 ounces coconut cream
2 ounces tequila
1 ounce Cointreau or triple sec
1 ounce simple syrup

Juice lime into cocktail shaker. Pour can of coconut cream into bowl and whisk to a smooth consistency; then measure out 3 ounces and add to cocktail shaker. Measure remaining ingredients into cocktail shaker and add ice. Shake vigorously to mix. Strain into two martini or wide-rim glasses and observe the "crater" bubbles.
